

# The Gilded Nut

Fancy snack co. Est. 2012

The Gilded Nut Snack Company works with small California farms to procure the finest, large pistachios available. They are allowed to ripen on the trees, so that the nuts open naturally. After being perfectly roasted, they are coated with a first cold pressed extra virgin olive oil, then tumbled in hand selected herbs and spices. They do not use any preservatives, flavor additives, food colorings, binding agents, or added sugar.
